

Certificate of Analysis

DTT, 100mM:

Part No. Size
P117A 100µl

Description: DTT (dithiothreitol) is an antioxidant used to stabilize enzymes and other proteins containing sulfhydryl groups. Part# P117A is a 100mM solution of DTT in water.

Molecular Formula: HSCH₂(CHOH)₂CH₂SH.

Molecular Weight: 154.25.

Storage Temperature: See the Product Information Label for storage conditions and expiration date.

Quality Control Assays

Exonuclease Assay: To test for DNase and RNase activity, 50ng of [³H]-labeled DNA or [³H]-labeled RNA is incubated with DTT for 3 hours at 37°C, and the release of radiolabeled nucleotides is monitored by scintillation counting of TCA-precipitable and TCA-soluble material. The minimum passing specification is <1% release for DNase and <1% release for RNase.

Functional Assays: DTT is tested for optimal performance in the Riboprobe® Systems according to the methods described in the *Riboprobe® in vitro Transcription System Technical Manual*, #TM016.

DTT is used in a non-radioactive transcription assay using the pGEM® Express Positive Control Template provided with the Riboprobe® Systems and SP6 RNA Polymerase. The transcripts produced are of the correct size (1,787 and 2,566 bases) and show no degradation when visualized on an agarose gel following electrophoresis and ethidium bromide staining.

PRODUCT USE LIMITATIONS, WARRANTY, DISCLAIMER

Promega manufactures products for a number of intended uses. Please refer to the product label for the intended use statements for specific products. Promega products contain chemicals which may be harmful if misused. Due care should be exercised with all Promega products to prevent direct human contact.

Each Promega product is shipped with documentation stating specifications and other technical information. Promega products are warranted to meet or exceed the stated specifications. Promega's sole obligation and the customer's sole remedy is limited to replacement of products free of charge in the event products fail to perform as warranted. Promega makes no other warranty of any kind whatsoever, and SPECIFICALLY DISCLAIMS AND EXCLUDES ALL OTHER WARRANTIES OF ANY KIND OR NATURE WHATSOEVER, DIRECTLY OR INDIRECTLY, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, AS TO THE SUITABILITY, PRODUCTIVITY, DURABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, MERCHANTABILITY, CONDITION, OR ANY OTHER MATTER WITH RESPECT TO PROMEGA PRODUCTS. In no event shall Promega be liable for claims for any other damages, whether direct, incidental, foreseeable, consequential, or special (including but not limited to loss of use, revenue or profit), whether based upon warranty, contract, tort (including negligence) or strict liability arising in connection with the sale or the failure of Promega products to perform in accordance with the stated specifications.
