Certificate of Quality

VWR® 80-PLACE STORAGE SYSTEM

As per the manufacturer, the below product meets the following criteria:

VWR Catalog Number	30128-282
European Article Number	211-0455
Lot Number	614C7-6090
Description	VWR RACK 80 RACK ASSORT PK-5
Date of Manufacture	4/5/2016
Date of Expiration	2020-04
Country of Origin	Made in USA

Quality System Compliance

The product conforms to written material specifications and was manufactured under the manufacturer's registered and audited ISO 9001 quality system, and underwent lot testing as outlined in the manufacturer's laboratory procedures. These products come with the highest standard of quality assurance.

QC Testing

Each lot of item was produced in a tightly controlled environment and subjected to the manufacturer's rigorous testing and performance procedures. The products meet all stated standards for precision, clarity, warp, centrifugation and freedom from contamination.

Product Specifications

Material: Polypropylene

.

Free of Bisphenol A (BPA), phthalates and cytotoxic effects. Plastic resins used in product manufacturing have been tested for heavy metals using the prescribed USP method. Plastic resins are declared USP Class-VI compliant, RoHS, FDA regulation CFR 21, are declared free of Substances of Very High Concern (SVHC), REACH compliant and FDA approved for food contact by the resin supplier. Non plastic products are declared free of dangerous effects by the manufacturer.

Latex Statement: No Latex was used in the manufacturing of the product. This also includes all the packaging and shipping materials used in the production of all items.

The only time the product or packaging may come in contact with Latex would be from the Latex gloves that production employees are required to wear for the purpose of clean handling and to avoid biological contamination of the products.

Disclaimer: *VWR states that this declaration will not discharge the user from his obligation to ensure the product is suitable for the intended use.*
